2 UVI Focus Assembly Guide

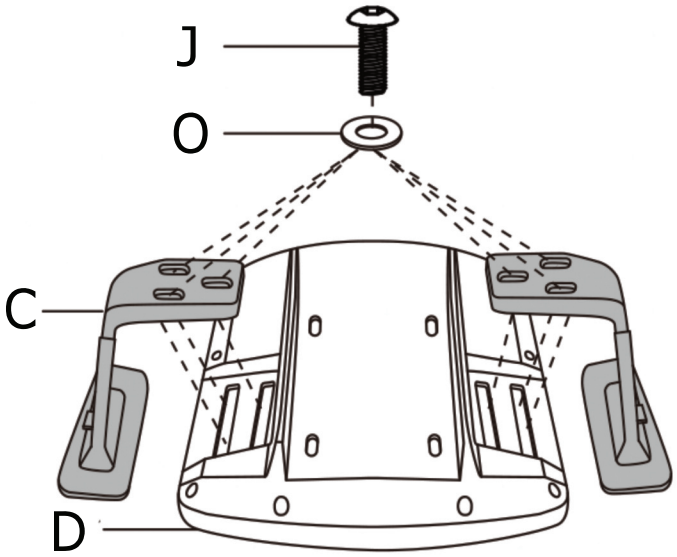

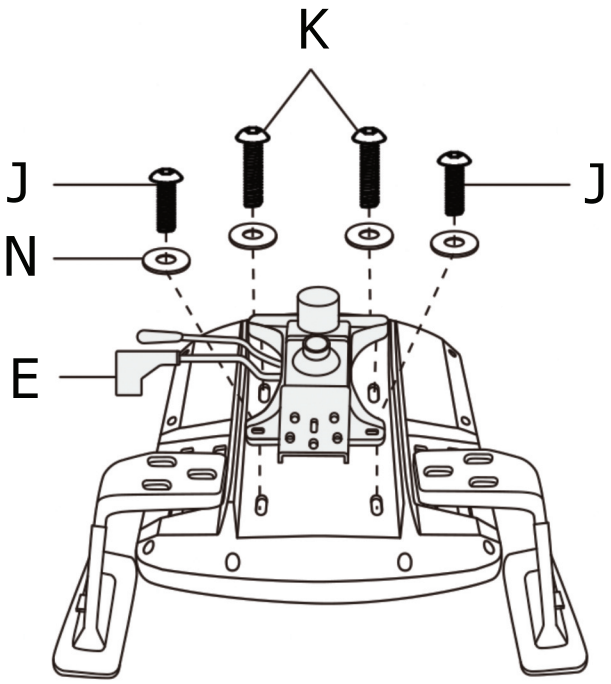

Step 1:

Attach UVI Rubber casters to the five-star chair base. Make sure that you hear a "click" sound when attaching the casters. Insert the CLASS-4 Gaslift into the five-star chair base.

Step 2:

Take the Chair Seat and turn it around. Now attach the Armrests to the Seat Using 3x Bolt [J] and Washers [O] on each side. Make sure that the bolts are screwed tightly.

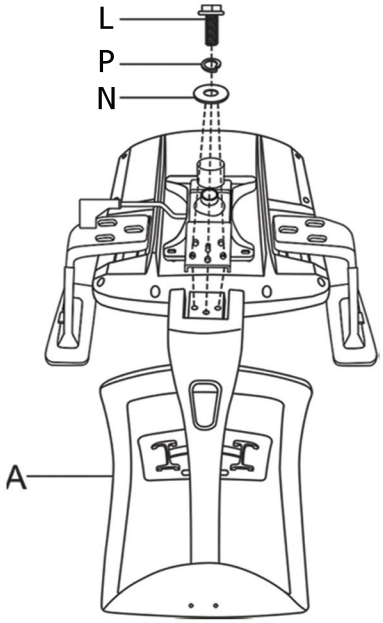

Step 3:

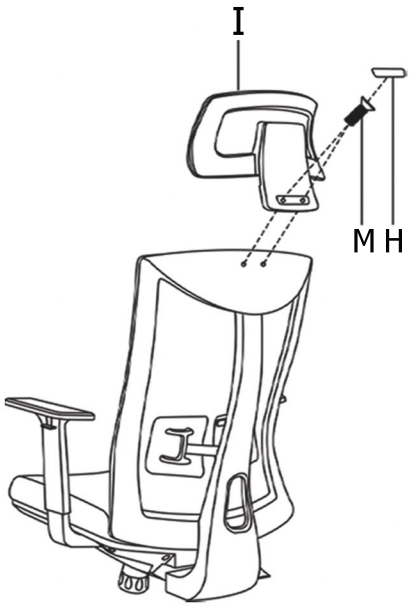

To attach the Butterfly Mechanism you will have to use two different bolts. For the back of the mechanism use 2x Bolt [K] with Washers [N] ; for the front use 2x Bolt [J] and with Washers [N]. Make sure that the nob on the mechanism is facing forward!

Step 4:

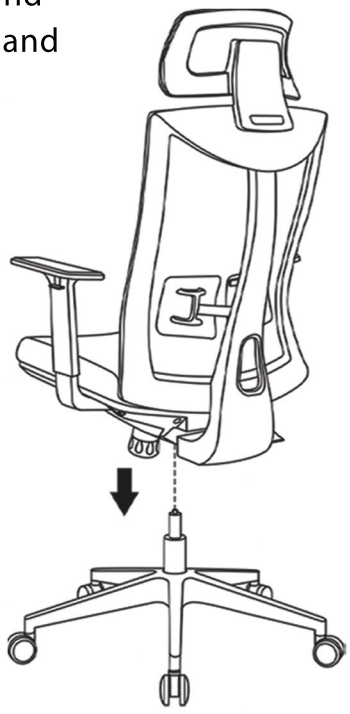

Before moving on to the next step, you need to attach the Backrest to the Chair Seat. Use 3x Bolts [L] and Washers [N] and [P] as shown.

Step 5:

It is time to attach the Headrest to the UVI Seat Backrest. Turn the chair around and attach the Headrest using 2x Bolt [M] and the Headrest Plastic Cover.

Step 6:

Turn the chair around again and attach it to the five-star base together with the Gaslift. Once you have successfully attached both parts together, put some weight on the seat of the chair, to make sure everything is as it should be.
